

Going Solar: A Brighter Future for Hartford

Curious about solar but don't know where to start? Come learn about solar energy and energy efficiency incentives for your community and your home. Did you know that Hartford is one of just 14 cities in the country to receive a SolSmart Gold designation from the Department of Energy? It has the largest municipal solar array in CT and recently became a SolarizeCT community. Join us to create a brighter, cleaner energy future for Hartford! Visit www.hartford.gov/climate for more information!
